The Muhlenberg men’s lacrosse team is coming off the most successful season in program history in 2008.

In just their sixth varsity season, the Mules qualified for the playoffs in the Centennial Conference, one of the toughest Division III lacrosse conferences in the country. They set a school record with 10 wins, had two All-Americans and received votes in the national poll for the first time ever.

Muhlenberg is anxious to prove that the 2008 season was just another in the development of the program and make trips to the Centennial playoffs—and beyond—an annual tradition.

The team is engaged in three major community service projects for the 2008-09 school year:

- Fundraising for Jacy Good ’08, who was seriously injured in a tragic accident on the way home from graduation. The Mules have dedicated their season to Jacy and are committed to raising $10,000 for her to assist with medical bills.

- Ashly’s 5K Race for Freedom, an event created in honor of a local woman who was killed in Iraq. More than 60 members of the Muhlenberg men’s and women’s lacrosse teams participated, with proceeds going to a scholarship fund and support of troops and veterans.

- The Cops N Kids program, through which players visit a local elementary school, read to the children in their classroom and encourage them to continue to read and do well in school.

Previous community service projects have included helping to clean up an illegal dumpsite in Allentown and leading fundraising efforts in support of an injured Muhlenberg softball player.

The Muhlenberg men’s lacrosse team enjoyed a wonderful nine-day European tour in the summer of 2008, with stops in four different cities, two lacrosse games in Dublin, Ireland, and visits to some of the most historic sights in both Ireland and England. The travel party was comprised of 20 players, two coaches, and a host of family members.

Sightseeing highlights of the trip included the Ring of Kerry (below), Blarney Stone, Croke Park, Tower of London, St. Paul’s Cathedral, Westminster Abbey and Buckingham Palace.

The Mules played games against the Dublin Lacrosse Club and Irish National Team, defeating both. For the players, the trip was a once-in-a-lifetime experience.

Muhlenberg College constructed a state-of-the-art on-campus game and practice facility during the summer of 1998. The multipurpose stadium includes an artificial turf playing field with e-layer pad, an eight-lane all-weather track, bleacher seating for 3,000 and lighting. The facility was the first of its kind in the Lehigh Valley.

Scotty Wood Stadium, also home to the Mule field hockey, football and track teams, received a facelift in the summer of 2008 when the original AstroTurf 12” surface was replaced with AstroTurf GameDay Grass™ 3D. AstroTurf GameDay Grass™ is an infill turf system tufted into a super-stable, multi-ply primary backing system that is covered with a heavy urethane, environmentally friendly BioCel™ coating for uniformity, consistency and precise performance across the entire field.

AstroTurf GameDay Grass™ 3D is a natural-looking synthetic surface that’s more durable than 100% polyethylene systems. Tweed tufting of AstroTurf GameDay Grass™ 3D more accurately mimics the true coloration of natural grass. A double nylon Root Zone acts as a traction layer, providing fiber support and reducing the compaction associated with other infill products.

The Muhlenberg men’s lacrosse team was 7-2 at Scotty Wood Stadium last year.

The facility is named for two prominent figures in the school’s athletic history. The stadium honors the late Milton W. “Scotty” Wood for his many years of support and service to the College and its scholar athletes. He began Wood Dining Services, now prominent in the food service industry, in 1947 by feeding Muhlenberg basketball players. The Mules’ annual tipoff basketball tournament is also named in his honor.

The field honors Frank Marino, one of the most beloved coaches in school history. He led the football team to a 54-40-6 record from 1970 to 1980 and was 1976 Middle Atlantic Conference coach of the year. Marino served the athletic department in numerous other capacities – including head men’s lacrosse coach from 1968 to 1978 – during his 34-year association with the College, earning the respect, loyalty and admiration of hundreds of young men and women.
Chris Bissinger enters his fifth year as Muhlenberg College’s head lacrosse coach looking to build on the team’s unprecedented success in 2008. The Mules earned their first playoff berth ever last season, coming back from an 0-3 start to win their last five Centennial Conference games. Muhlenberg had its first two All-Americans and its first two first-team All-CC selections, set school records with 10 wins and eight consecutive wins and received votes in the national poll for the first time.

Bissinger enjoyed some exciting benchmarks in his first three years, including working with Muhlenberg’s first all-conference selection in 2005, as well as multiple all-conference selections in ’06 and ’07. In addition, Muhlenberg beat some of the traditional powers in the Centennial Conference, and has had very competitive games with all members of the Conference.

Bissinger began his coaching career at his alma mater, Hampden-Sydney College, in the summer of 1995. He spent seven years working under Head Coach Ray Rostan after playing for him during his collegiate career. In that time Hampden-Sydney played in four NCAA tournaments and averaged 10 victories per year. Bissinger commented, “My experience at Hampden-Sydney was tremendous. I had an opportunity to play for, and then work with, one of the best people in the sport of lacrosse. Coach Rostan made a tremendous impression on me and is the primary reason why I chose to become a college coach.”

Bissinger enjoyed success at Hampden-Sydney as a student and as an athlete. He was awarded membership in Omicron Delta Kappa, a national leadership society, and Phi Alpha Theta, a national history honors society, as well as being selected to Who’s Who in American Colleges and Universities in 1995. On the lacrosse field he was a two-year captain, a three-year all-conference selection, as well as a 1995 second-team All-American.

Bissinger was inducted into the Hampden-Sydney Athletic Hall of Fame in the fall of 2008.

A native of Maplewood, N.J., Bissinger graduated from Columbia High School. He and his wife, the former Ms. Kerry Demeritt, reside in Allentown, blocks from campus.

In addition to his coaching responsibilities, Bissinger represented the Centennial Conference as a member of the USILA All-America committee in 2007.

### Kyle Hart

Assistant Coach  
Muhlenberg ’07 • Second Season

After a distinguished four-year playing career at Muhlenberg, Kyle Hart is in his second season on the sidelines. Hart set a school record with 173 career ground balls and ranks second on Muhlenberg’s season ground balls list with 67 in 2005. The close defender and longstick midfielder twice received All-Centennial Conference honors, making the second team as a senior. Hart graduated in May 2007 with a degree in international studies.

### Brian Moore

Assistant Coach  
East Stroudsburg ’06 • Third Season

Brian Moore is in his third year on the Muhlenberg lacrosse coaching staff. Moore is a recent graduate of East Stroudsburg University, where he served as president of the club men’s lacrosse team for the 2005-06 academic year. Moore was part of the team from 2000 to 2006 with a year-and-a-half break for military service. A member of the Pennsylvania Army National Guard, he was deployed in Iraq from March 2004 to March 2005.

Moore has administrative athletic experience as an intern in the front office of the Scranton/Wilkes-Barre Red Barons minor-league baseball team and as the East Stroudsburg Student Senate representative on the Intercollegiate Athletics Committee.

2009 Outlook

After a breakthrough season in 2008, the 2009 Mules are working hard to ensure their continued success in the nationally competitive Centennial Conference. The Centennial Conference boasted three participants in the NCAA Tournament last spring and was one of only two conferences in all of Division III to send three teams to the NCAAs.

The Mules will return an experienced team of 21 veterans after graduating nine seniors and have added 16 newcomers to their roster. For the first time ever, Muhlenberg will have a returning USILA All-American in senior defensive player John DeLuca. Both the offense and defense return virtually intact from a year ago. There will be significant change in the midfield, though, as the Mules graduated six seniors at that position.

2008 Recap

The Mules started the 2008 season with a great game against nationally ranked Stevens. The game was full of back-and-forth action and wasn’t decided until the final few minutes. Unfortunately, Muhlenberg came up just short and lost by two goals, 7-5.

Muhlenberg followed the Stevens game with two solid wins over Greensboro (12-6) and the United States Merchant Marine Academy (10-6). The “Second Season” began for the Mules after the USMMA game with the first Centennial contest against perennial Division III power Washington College.

Washington came into the game as the No. 8-ranked team in Division III. The game was played at Marino Field on Muhlenberg’s campus and was a fantastic contest between two motivated conference rivals. After leading by four goals at halftime, the Mules eventually lost a heartbreaker in overtime, 12-11. Following that tough loss, the Mules lost to No. 2 Gettysburg and No. 9 Haverford.

With their season on the line, the Mules were well motivated in their 15-5 defeat of conference rival Swarthmore. Following the strong performance against Swarthmore, Muhlenberg would not lose again until the CC playoffs. The streak lasted eight games and included wins against Franklin & Marshall, Dickinson, McDaniel, FDU-Florham, Montclair State, Moravian and Ursinus.

The Mules ended the 2008 season with a loss to Gettysburg in the first round of the CC playoffs.

At the conclusion of the ‘08 season, three Muhlenburg lacrosse student-athletes – Kyle Farris, Mickey Norton and John DeLuca – were selected to an All-CC team. Farris, an ’06 and ’07 selection, tallied 36 goals to lead the midfield. Norton, an ’06 selection, tallied a team leading 24 assists. Junior defenseman DeLuca was a shut-down defenseman all season long and added 6 goals and 31 ground balls. Both Farris and DeLuca were selected as first-team All-CC players, while Norton received honorable mention.

Farris and DeLuca were also honored as USILA honorable mention All-American picks. They were among the best three players at their respective positions in what is arguably the best lacrosse conference in the country. No other player has been honored as an All-American in Muhlenberg College’s lacrosse history.

2009 Midfield

The midfield will be led by senior captains Nick Fletcher and Dan Dugan along with junior Ari Jacobson. Fletcher finished the ’08 season with 13 goals and 7 assists. He is athletic and displayed added strength in the fall. Dugan is a big, strong faceoff man who won 57 percent of his faceoffs in ’08. Jacobson was injured for the majority of the ’08 season, but was one of the most athletic and talented players at this position before his injury. His performance in ’09 will be a key factor in the Mules’ season.

Senior Cade McCarthy along with juniors Sean Delany and Al Carpetto will compete with sophomores Zachary Armstrong and Charlie Helm for consistent playing time in the midfield. Freshmen standouts Clint Watkins and Alex Ardolino looked very strong in fall workouts and will push for time as well. Fellow newcomers Matt Zaverucha, Nick Beattie, Andrew Disseldorff and Nick Rispoli will all add depth.

Dugan looks to anchor the faceoff “X” along with Rispoli and Jacobson. Joining those three will be newcomers Charlie Pianko and Andrew Porter.

The Mules will play defense in the midfield by committee. Numerous players will compete including newcomer Kyle Sullivan, two-sport athletes Chase Nadell and Andy Curley, along with veterans Dugan, McCarthy and Jacobson.

The development of a strong and consistent midfield will probably be the determining factor in Muhlenberg’s 2009 season. The Mules have plenty of talent and experience, but the individuals who will play consistently have yet to emerge.

2009 Defense

Two words describe the defensive unit in 2009 – talent and experience. Senior captain DeLuca will anchor the defensive unit for the Mules. A four-year starter in both football and lacrosse, DeLuca ranks among the top defensemen (he was an honorable mention All-American in ’08) and tailbacks in the Centennial Conference (he was the offensive player of the year in ’08). Junior captain Matthew Schroeder is a leader on and off the field. He’s vocal and passionate about continued success.

Fellow juniors Ivan Brown and Will Garrity are talented, experienced and athletic. Both played significant roles in last year’s defense. Sophomore Tom Brant had an impressive first year with 34 groundballs as a longstick midfielder, second only to Schroeder’s 37.

Newcomers Jonathan Fritog, Charles Hong and Dan Snyder all looked impressive in the fall and should push for playing time. Transfer Alex Kossar was yet another two-sport athlete and will join the mix in the spring.

2009 Goalkeepers

Returning between the pipes for Muhlenberg is junior Andrew Bell. The talented left-handed stopper recorded 129 saves in ’08 as a second-year starter. Sophomores Mike Horowitz and Oliver Baron will also push for time, along with newcomer Andrew Weinoff.

2009 Schedule

Muhlenberg opens its 2009 lacrosse campaign against Stevens on February 22. The Mules will then head to Lynchburg during spring break to play Lynchburg on Wednesday, March 4, before returning north to compete at FDU-Florham on Saturday, March 7. Centennial Conference action begins at Washington on Saturday, March 14. The Mules then host Gettysburg and Haverford on March 21 and 25 before traveling to Swarthmore for a Saturday afternoon game on the 28th. The Mules will then host Franklin & Marshall on Saturday evening, April 4, followed by trips to Dickinson on the 8th and McDaniel on the 11th. Muhlenberg heads to Montclair State on Saturday, April 18, and then to Lehigh Valley rival Moravian on April 22. The regular season concludes when the Mules host Ursinus on April 26.

The Mules play all their home games in Scotty Wood Stadium and on the newly renovated Frank Marino Field. The CC playoffs begin on Friday, May 1, and will conclude on Sunday, May 3. The NCAA Tournament begins on Wednesday, May 6.
At Muhlenberg: The cornerstone of the Mule defense ... A returning All-American ... The lone returning all-conference defenseman in the Centennial Conference ... Has incredible combination of speed and strength to go along with a competitive streak ... Has improved knowledge of the game ... 2008: Received All-America honorable mention ... Named to All-CC first team and CC Academic Honor Roll ... Fifth on team with 31 ground balls ... Emerged as an offensive threat with his long runs down the field, scoring six goals ... Netted four goals in the last six games ... 2007: Sixth on team with 24 ground balls ... Picked up career-high five ground balls against both Randolph-Macon and Moravian ... Scored goals against Dickinson and Ursinus ... 2006: Played several positions before settling in as a longstick ... Scored four goals in the first six games ... Routed out five goals in the 2006 Centennial Conference playoffs ... Earned All-Academic honors in football ... Football: Finished career as the second all-time leading rusher in Muhlenberg history with 4,041 yards ... CC offensive player of the year and a second-team Academic All-American in 2008 ... Personal: Named to all-division and all-county teams as a junior and senior in lacrosse ... Scored 22 goals and captained Suffolk County finalist team in 2005 ... Also received all-state honors in football ... Parents are John and Karen DeLuca ... Born May 20, 1987 ... An accounting major.

At Muhlenberg: Veteran faceoff specialist ... Incredibly important to the team ... Had a great fall ... Ranks third in team history with 151 career faceoffs won ... Needs 37 more wins to become all-time leader ... Has won 57.9 percent of his faceoffs ... 2008: Named to Centennial Conference Academic Honor Roll ... Second on the Mules and third in the CC with a .570 faceoff percentage ... Tied school record with .999 faceoff percentage (10-for-11) in triple-overtime win at Franklin & Marshall ... Went 9-for-10 vs. Dickinson in next game ... Won eight of 10 faceoffs, recorded six ground balls and scored first career goal in 17-6 defeat of Moravian ... 2007: Fifth in the CC in faceoff percentage (.548) ... Won 12 faceoffs in season-opening win at Greensboro ... Went 7-for-10 on faceoffs in CC win at Swarthmore ... Science labs are hands-on, with the opportunity to do real science in a small college setting. Independent study, mentored research, internships and field experience are encouraged. The goal is to promote an active, participatory learning style.

That commitment to first-rate teaching and active learning means that Muhlenberg strives always to provide learning experiences that are not simply informational, but interesting, even inspirational. It means looking for teaching approaches where students are not passive but rather engaged, active learners. The result has been an academic program widely recognized for educational excellence based on both rigor and nurture.

Positive Outcomes:

A Muhlenberg education provides a powerful launching pad into graduate school and entry level careers. The College’s success rates with both law school and medical school placement are regularly over 90%. In addition, many Muhlenberg students go on to master’s and doctoral programs each year, often with teaching fellowships or other stipends.

Muhlenberg grads also go on to a full range of employment opportunities, from America’s largest banks and accounting firms to its “blue chip” business concerns, from the most prominent social and helping agencies to schools, government and family-owned businesses, and from a variety of media, writing and advertising positions to work in the performing and fine arts.
Peyton R. Helm

President of the College

Peyton Randolph Helm took office as president of Muhlenberg College July 1, 2003. He holds the faculty rank of professor of history.

Immediately prior to joining the Muhlenberg community, Helm served as vice president for college relations and professor of classical studies at Colby College in Waterville, Maine.

Helm began his career in academic administration at the University of Pennsylvania, where he was named coordinator of College House Programs in 1981. He served as associate director of development and then director of development for Penn’s School of Arts and Sciences. From 1981-1988 he was also an adjunct assistant professor of ancient history and urban studies at Penn.

In 1988, Helm was named vice president for development and alumni relations at Colby, where he was promoted to vice president for college relations in 2001.

The Council for Advancement and Support of Education (CASE) has awarded Helm its Steuben Apple, given to advancement professionals who have been rated as a top speaker at 10 or more national conferences. Helm has delivered addresses and conducted seminars on ethics, stewardship, writing, capital campaigns, market research and volunteer management at more than 30 conferences across the country and internationally. His writing has been published in CASE Currents and Successful Fund Raising, as well as various scholarly publications in the field of ancient history.

Helm earned his bachelor’s degree in archaeology, with magna cum laude and Phi Beta Kappa distinction, from Yale University. He earned his doctoral degree in ancient history, specializing in ancient Greek and Near Eastern history and literature, from the University of Pennsylvania.

Karen Green

Vice President for Student Affairs/Dean of Students

Karen Green began her duties as vice president for student affairs/dean of students at Muhlenberg College on June 15, 2006, following more than four years as dean of students at Wells College in Aurora, N.Y.

At Muhlenberg, Green oversees more than 70 full-time employees and several departments, including athletics and recreation.

“Muhlenberg is committed to our scholar athletes and the athletic programs are an integral part of a liberal arts education,” said Green. “The lessons learned from participation in our programs will sustain our students throughout their lives. The opportunity to be involved in intramural and recreational programs provides balance from the rigors of a challenging academic experience. Students learn negotiation skills, teamwork, time management and to be effective leaders.

“Our coaches are committed to excellence and are partners with students notwithstanding their skill level. My predecessor as dean of students, Rudy Ehrenberg, said it best, ‘We must provide our students with outstanding coaches, superb facilities and a commitment to excellent programs.’ These are the ingredients for a quality program and Muhlenberg College is committed to such excellence. I strongly support these words and will be fully committed to the College’s athletic programs.”

Green received her baccalaureate degree from Agnes Scott College in Atlanta in 1986, where the Karen Green Human Relations Award was created in her honor. She went on to earn her master’s of divinity from the Candler School of Theology at Emory University in 1997.

Green began her administrative career as a resident director at Spelman College, later served in the admissions office at Agnes Scott and subsequently became director of orientation, residence life and student activities at her alma mater before leaving Atlanta to accept the position of director of multicultural affairs at Hamilton College in Clinton, N.Y.

She held additional leadership positions in student life at Agnes Scott, Emory and Hamilton before assuming the position of dean of students at Wells in September 2001.

Sam Beidleman

Director of Athletics

Following a national search, Muhlenberg College named Sam Beidleman director of athletics in July 2003. He had been serving as interim director of athletics since April 1, 2003.

As director of athletics, Beidleman supervises Muhlenberg’s 22-sport intercollegiate program, as well as the intramural and recreation programs.

“Muhlenberg College is proud of its long-standing tradition of academic and athletic excellence,” said Beidleman. “While we strive to win on the field or court, we measure our success in many other ways including the development of character, leadership, scholarship and ethical behavior.”

Beidleman returned to Muhlenberg after a prior 35-year association with the College, during which he held responsibilities in every area of athletics programming – as a student, coach, faculty member and administrator. He was a varsity letterwinner in football and track and spent 13 seasons as an assistant football coach following his graduation in 1963.

It was as a baseball coach that Beidleman truly made his mark, coaching the Mules from 1970 to 1992 and winning 255 games, setting a school record for a coach in one sport. His teams captured five Middle Atlantic Conference Southwest League titles and three Southern Division championships.

Beidleman, who held the academic rank of associate professor of physical education from 1965 to 1992, also served as men’s intramural director and director of recreation. After retiring from coaching, he was full-time athletic business and facilities manager until August 2000.

A 2006 inductee into the Muhlenberg Athletic Hall of Fame, Beidleman earned his master’s degree in counseling and guidance from Kutztown University in 1970.

Corey Goff

Associate Director of Athletics

Corey Goff was promoted to associate director of athletics in 2008 after five years as an assistant director of athletics. In addition to his administrative duties, he serves as head baseball coach and summer camp coordinator.

Jenny Warmack-Chipman

Assistant Director of Athletics

Jenny Warmack-Chipman is in her eighth year as an assistant director of athletics. In addition to her administrative duties, she serves as senior woman administrator, advisor to the Student-Athlete Advisory Committee and head volleyball coach.
In its 16th year of all-sports competition, the Centennial Conference has taken its place among the nation’s elite small college conferences. On June 4, 1981, Keith Spalding, then-president of Franklin & Marshall College, made the announcement that “eight private colleges found it timely and appropriate to form a round-robin schedule among institutions with similar attitudes and practices in intercollegiate football.” With that statement, the Centennial Conference was born.

From 1983-92, the eight private colleges — Dickinson College, Franklin & Marshall College, Gettysburg College, Johns Hopkins University, Muhlenberg College, Swarthmore College, Ursinus College and Western Maryland College (now McDaniel College) — participated in a football-only conference. Because of the success in operating the Centennial Football Conference, the league expanded to an all-sports conference in 1992, with Bryn Mawr College, Haverford College and Washington College joining as charter members.

A purpose and mission statement adopted by the presidents stated, “Recognizing that our fundamental purpose is the academic mission of the member institutions and flow from their educational objectives. Each institution provides a comprehensive, broad-based athletics program. All varsity sports are treated equitably, and every sport is important.

The CC crowns champions in 24 sports and continues to sponsor intercollegiate programs of national prominence for women and men. On the average, Centennial members boast of 19 varsity teams, which is well above the national norm.

The CC is widely recognized as one of the top Division III conferences in men’s lacrosse. Over the last six seasons, CC teams have compiled an exceptional 284-126 (.693) record in non-conference games.

The CC champion earns an automatic bid to the NCAA Tournament. The Conference has sent two representatives to the NCAAAs in 12 of its 15 years, with a team reaching the national semifinals nine times and the championship game five occasions. The CC has an all-time record of 31-19 in NCAA games.

Muhlenberg College sponsors a comprehensive 22-sport intercollegiate athletics program. The Mules compete in the Centennial Conference in all sports and are members of the National Collegiate Athletic Association (NCAA) Division III and Eastern College Athletic Conference (ECAC).

Muhlenberg’s sports program is designed to offer quality competitive experiences for the serious athlete, with opportunities for outstanding teams and individuals to advance to national Division III championships. However, given the breadth of the program, opportunities also exist for the unrecruited athlete to participate in varsity sports.

Muhlenberg has excellent on-campus athletic facilities. Opened in 1982, the Life Sports Center is a building designed for athletics, intramurals and “sports for life” as primary uses. The original solar-heated building, a series of three additions to the Memorial Hall gymnasium, includes the spacious John Deitrich Field House, featuring basketball and tennis courts and a 160-meter running track; the 25-meter Alumni Pool; and the Levering Outdoors, the Mules have a grass field used by the men’s and women’s soccer teams, constructed in 1997, and a stadium for use by lacrosse, football and field hockey surrounded by an eight-lane, all-weather track, constructed in 1998 and resurfaced with AstroTurf GameDay Grass™ 3D in 2008.

During the 2007-08 school year, Muhlenberg won the Centennial Conference championship in football and women’s basketball, and Mule teams or individuals earned bids to the NCAA Division III Championships in men’s soccer and men’s and women’s cross country.

The Life Sports Center recently underwent a significant renovation that further improved the Mules’ facilities. The three-level, 40,000-square-foot addition was built directly west of the Deitrich Field House and opened in the fall of 2004. The new facility includes additional locker rooms and office space, new recreation and fitness areas and a new health and counseling center.

Outdoors, the Mules have a grass field used by the men’s and women’s soccer teams, constructed in 1997, and a stadium for use by lacrosse, football and field hockey surrounded by an eight-lane, all-weather track, constructed in 1998 and resurfaced with AstroTurf GameDay Grass™ 3D in 2008.

* The CC was one of only two conferences with all its members ranked in the top half of Division III.
The 2008 season was one long push to the playoffs for the Muhlenberg men’s lacrosse team, which received national acclaim in its sixth varsity season.

After dropping their first three Centennial Conference games, the Mules knew they could not afford another loss if they were to earn their first playoff berth. Starting with a 15-5 home win against Swarthmore and ending with a dramatic 9-8 victory at Ursinus almost a month later, Muhlenberg won eight in a row (five in the CC) to qualify for the playoffs in one of the strongest conferences in Division III.

The run came to an end with a 13-3 loss to third-ranked Gettysburg in the CC semifinals. The Mules finished their best season ever with a record of 10-5, setting a school record for wins.

All three CC losses at the start of the season came to teams ranked in the top 10 in Division III – teams that would eventually earn bids to the NCAA Tournament.

In the first league game of the season, Muhlenberg threw a scare into eighth-ranked Washington, a team that had won the previous five meetings by an average of more than nine goals. The Mules led 8-4 at halftime, then hung tough after the Shoremen scored the first five goals of the third quarter. Although Washington wound up winning, 12-11 in overtime, Muhlenberg served notice that it could play with the best teams in the country.

Road losses to Gettysburg and Haverford followed, but when the Mules returned home for the last Saturday in March they began churning out one program milestone after another:

- their first five-game winning streak (after a 14-8 win against FDU-Florham);
- their first four-win CC season (after a 10-7 defeat of McDaniel);
- their first win against Dickinson (9-4) since the reinstatement of men’s lacrosse as a varsity sport;
- their first win at Franklin & Marshall (9-8 in triple overtime);
- their first home win against Swarthmore;
- their first win against Swarthmore (9-8) since the reinstatement of men’s lacrosse as a varsity sport;
- their first four-win CC season (after a 10-7 defeat of McDaniel);
- their first five-game winning streak (after a 14-8 win against FDU-Florham).

With each milestone and triumph, Muhlenberg gained in confidence, and others began to take notice. The Mules extended their winning streak to six by doubling up Montclair State, 8-4, on Senior Night, and when the national poll came out the following week, Muhlenberg was listed as receiving votes.

A 17-6 win against Moravian in the home finale set the stage for the last-game of the regular season: a showdown at Ursinus for the fourth and final CC playoff spot. In a thrilling back-and-forth contest, Muhlenberg scored twice in the fourth quarter to break a 7-all tie and held on for a 9-8 win.

Although that would be the last win of the season, the program milestones kept coming. Senior midfielder Kyle Farris and junior defenseman John DeLuca were voted to the All-CC first team, becoming the Mules’ first two first-team CC selections, and later they became the program’s first All-Americans, both earning honorable mention.
